

II. “Just the Way You Are” by Bruno Mars

1) Listen and fill in the words that describe appearance

Oh, her _____, her _____
Make the stars look like they're not shinin'
Her _____, her _____
Falls perfectly without her trying
She's so _____
And I tell her everyday (yeah)
I know, I know
When I _____ her she won't believe me
And it's so, it's so
Sad to think that she don't see what I see
But every time she asks me “Do I _____ okay? ”
I say

2) Choose the correct word

When I see / feel your face
There's not a thing that I would change / break
'Cause you 's / 're amazing
Just the way you / she are
And when you cry / smile
The whole world laughs / stops and stares for a while
'Cause so/ girl you're amazing
Just the way she / you are

3) Put the lyrics in the correct order (write the number)

- a) She hates but I think it's so sexy
- b) And I tell her everyday
- c) Her lips, her lips
- d) She's so beautiful
- e) I could kiss them all day if she'd let me
- f) Her laugh, her laugh

4) Cross an extra word in each line

Oh you really know, you know, you know
I'd never ask you something to change
If perfect's what you're searching still for
Then just stay always the same
So don't even bother me asking if you look okay
You know I'll just say

3. After listening

- 1) What is this song about? Is it about appearance?
- 2) Do you share the opinion: “Love yourself just the way you are, love other people just the way they are”? Why?
