II. Операционно-познавательный этап.

1. a) Лексическая зарядка. Read the words.

Shopping, go shopping, do the shopping, enjoy shopping, window-shopping

b) Can you tell the difference between go shopping and do the shopping? Watch a video and check. <https://youtu.be/JtNQvsehhi0>

c) Answer the questions of ex.1 p.28

1. Do you enjoy shopping? 2. How often do you go window-shopping? 3. Can shopping be a hobby? Is it a good way to spend free time?

d) Pair work. Look at the picture and make a list of shop. What do these shops sell?

2. a) Listen to the text and make notes of the shops that Rosie has visited. Look into your list of shops while listening and tick their names. (1<sup>st</sup> listening)

I've been to many shops. I love window-shopping, but very often I buy things myself. I've been to the supermarket many times. We usually buy something to eat there. I've been to our sweet shop once. I bought two kilos of sweets there. It was fantastic! I haven't been there since Christmas. We've got a large department store not far from here, and I've been there too. I haven't bought any clothes for half a year, which is terrible. Not far from our house there's a bakery. They sell delicious bread. I also used to buy newspapers, but now my dad buys them on his way to work. So I, probably, haven't bought anything at the newsagent's for ages. I haven't been to the pet shop since September, when we bought my Princess. I think pet-shop is my favourite.

a) What shops did Rosie mention? What did she buy there? Keys:

| Shop             | Things to buy |
|------------------|---------------|
| Supermarket      | food          |
| Sweet shop       | sweets        |
| Department store | clothes       |
| Bakery           | bread         |
| Newsagent's      | newspapers    |
| Pet shop         | pets          |

b) **Ex. 3a p.30** Listen to Rosie again and complete the sentences below. Use the words in the box. (2<sup>nd</sup> listening)

~~September~~, summer, two weeks, my birthday, last year, 2009, more than 10 days, 5 months ago, ~~Christmas~~, half a year, months, 10 minutes, yesterday, ages

I haven't been there **since** ... I haven't bought any clothes **for** ... I haven't bought anything at the newsagent's **for** ... I haven't been to the pet shop **since** ...

**When do we use since and for? (Pupils' answers)**

*summer, two weeks, my birthday, last year, 2009, more than 10 days, 5 months ago, months, 10 minutes, yesterday*

| since       | for               |
|-------------|-------------------|
| summer      | weeks             |
| my birthday | more than 10 days |
| last year   | months            |
| 2009        | 10 minutes        |
